OF PARTICIPATION

DATA SCIENCE

• FOR SOCIAL GOOD •

We proudly provide this certificate of accomplishment to **Bhavesh Ingale** for creating and deploying a dashboard to track the spread of COVID 19 and analyzing the data for better decision making. This was a part of our
Data Science for the social good initiative.
We, at AIML Community, are committed to utilizing Data Science for Social Good and **Bhavesh Ingale** have provided an invaluable contribution towards extending Data Science for social welfare.
